DIARY NOTES

DD/S

*W. J. P.*

1 July 1964

1. At the Executive Committee Meeting this morning:

a. It was confirmed that the Director will go to the Bureau of the Budget next Tuesday and Wednesday, 7 and 8 July. Apparently on one day he will discuss the Agency's budget and five-year projection, and on the other he will meet with the Director of the Bureau of the Budget and other agency heads.

b. Mr. Kirkpatrick announced that, through the cooperation of those who have printing requirements, we had effected a reduction in our printing load, which makes the Printing Services Division's request for 30 people unnecessary. In this connection, Bud Wheelon said that the Office of Basic Intelligence has been doing some experimenting with computers which he thought might reduce the OBI printing load by as much as 30 percent.

2. I talked to [REDACTED] about the state of cleanliness in the Director's suite in the East Building and asked him to see that this is straightened out without delay.

4. Bob Fuchs telephoned to request permission to have the Office of Finance change its working hours to 0830 to 1700 hours after it moves to 2430 E Street. I approved.

5. I talked with Bob Ayers about having Government Services, Inc., run a barbershop in the Headquarters building on a profit-sharing basis. He thought that this could be worked out, and I arranged for [REDACTED] to have a talk with him.

8. Jack Earman buzzed to say that in the light of current troubles in the Medical Staff he was hesitant to brief Dr. Tietjen on the exit interview the IG Staff had with [REDACTED] I said that I was inclined to agree with this.
